

Sila-Flex *silage protection cover*

Protection for maize and grass silage against birds and mammals

Why use Sila-Flex & Sila-Bags?

- ✓ Fully re-useable with a 10 year UV guarantee
- ✓ Easy to handle on and off as the silage is used
- ✓ No need to use and handle wet tyres
- ✓ Save time opening and closing the clamp
- ✓ Eliminate the risk of feed contamination from tyre debris

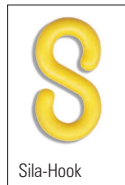

no more tyres!
